A photograph of two young women in business attire standing outdoors in front of a large, historic stone building with a prominent tower. They are looking at a large folder held by one of them. The woman on the left is wearing a black blazer over a black top, and the woman on the right is wearing a black and white striped blazer over a pink top. They are both smiling and appear to be in a professional setting.

## HEAR FROM OUR ALUMNUS

“

One milestone is achieved!

I would like to thank both Peninsula and the University of Gloucestershire for making this possible. Through the engaging lectures, lively debates in class, and not to mention the networking opportunities with my classmates, who came from a range of professional backgrounds, I had a fantastic time learning about the most recent advances in the field.
