Group Chief Executive & Managing Director, PKT Logistics Group Sdn Bhd
Managing Director, Peninsula Higher Education Sdn Bhd
Trustee of Yayasan PKT

Our bespoke 'Campus-In-Industry' concept is tailored to address the contemporary educational landscape by integrating real-world practical experiences through our Jom! Bekerja Sambil Belajar (JBSB) programme, allowing students to study full-time while working part-time. This initiative not only imparts the essential skills for success but also cultivates a robust work ethic within the professional arena.

PKT Logistics Group demonstrates its commitment to social responsibility by spearheading a Corporate Social Responsibility (CSR) initiative by establishing Yayasan PKT, focused on advancing UNSDG4 Quality Education and shaping the nation's future workforce. As a pivotal component of this endeavor, Yayasan PKT is dedicated to offering scholarships, bursaries, and grants to deserving and underprivileged Malaysian students, affording them the opportunity to pursue their education at Peninsula College.

At Peninsula College, you will have access to a wealth of academic resources, distinguished faculty, and a supportive network of fellow students. Our commitment to excellence in education, coupled with a dedication to fostering a nurturing and inclusive environment, empowers you to reach new heights and achieve your aspirations.

Dato' Seri (Dr.) Michael Tio was conferred Honorary Doctorate in Management from University Malaysia Terengganu, Honorary Doctorate of Logistics Management from University Utara Malaysia, Honorary Doctorate of Business from University of Plymouth and Honorary Doctorate of Philosophy from University of Gloucestershire. In addition, he was also awarded Adjunct Professorships from 6 esteemed local Public Universities and a Collaborative Professorship from Osaka University.

So you are considering on furthering your studies at Peninsula College. Congratulations on taking this major leap which will take you forward to the everchanging employment world. I believe in the value of education, thus in Peninsula College, you will be surrounded by dedicated staff who are not just academically qualified but also have a grasp of the industry needs. They will guide you along the pathway towards being future proof employees or entrepreneurs as well as the future leaders of the nation.

Fostering relationship with our established foreign University partners, we offer the potential for a seismic change by providing the students with the universally valuable tools of critical thinking, hands-on learning, and collaborative study. With these tools in hand, our students should be able to secure above average salaries when they enter the job market.

We also provide 'Jom! Bekerja Sambil Belajar JBSB' (Earn as You Learn) scheme where students are offered opportunities to work in the College as well as in PKT Logistics during their studies at the College. The work environment provides and develops the soft skills in the students thus increasing their employability value when they enter the job market later.

Furthermore, our College is industry-focussed in not only being nestled within an industry, PKT Logistics, we also have strong links with other industries as well. This will definitely open doors to our graduates.

As a raw stone when you first enter the College, we fervently hope you will metamorphose into a gem for the job market. I look forward in welcoming you to join us in the journey.

Dr. Edmund Edward

Chief Executive, Peninsula College Shah Alam

Warmest greetings from Peninsula College,

An institution that stands as a beacon of hope for ambitious individuals from diverse backgrounds, lighting the brightest paths to achieving goals and success.

As we proudly enter our 27th year of educational excellence, with a legacy of over 15,000 alumni, we reaffirm our commitment to re-engineering the learning environment. Our goal is to produce 100% employable graduates who are not only tech-savvy but also driven by a passion for lifelong learning and equipped with an entrepreneurial mindset.

Having embarked on this remarkable journey in higher education over three decades ago, after transitioning from the corporate and accounting sectors, I have had the privilege of witnessing the incredible growth of this institution. Over the years, the walls and spaces of Peninsula College have expanded, creating meaningful impacts on countless individuals and families throughout the Klang Valley and beyond. It has been inspiring to see dreams realised, lives transformed, and enduring friendships formed within our vibrant community.

As a dedicated educator, I have had the honour of observing the dynamic evolution of education and working closely with the Peninsula community to bring the very best for students like you, the future leaders who will shape and serve our nation with distinction.

As you embark on your journey aboard our uniquely designed 'Campus-In-Industry,' I extend my heartfelt wishes for an enriching and transformative self-development experience.

Together, let us shape a brighter tomorrow.
