PENINSULA COLLEGE
TEAM

Y.Bhg Datuk Wira Jalilah Baba

Chairman, Independent Non-Executive Director,
PKT Logistics Group Sdn Bhd & Peninsula Higher Education Sdn Bhd

Welcome to the Peninsula College family!

It's great to have you here with us on this exciting adventure of higher education.

College is a time for growth, exploration, and limitless possibilities. With 27 years of unrivalled excellence in education, rest assured that we are committed to meeting the demands of the brightest minds. We firmly believe that education is an essential asset that everyone must possess, and we are dedicated to providing top-quality education to help you achieve your academic and professional goals.

With the highest spirit, I welcome you to be a part of the Peninsula Community and look forward to supporting you every step of the way.

Let's work together to create an innovative learning environment that fosters sustainable growth, empowerment, and industry savvy.

Y.Bhg Dato' Seri (Dr.) Michael Tio
D.G.P.N, D.P.T.J, J.P. , (Dr.) UUM, UMT, UOG, UOP

Group Chief Executive & Managing Director, PKT Logistics Group Sdn Bhd
Managing Director, Peninsula Higher Education Sdn Bhd
Trustee of Yayasan PKT

Our bespoke 'Campus-In-Industry' concept is tailored to address the contemporary educational landscape by integrating real-world practical experiences through our Jom! Bekerja Sambil Belajar (JBSB) programme, allowing students to study full-time while working part-time. This initiative not only imparts the essential skills for success but also cultivates a robust work ethic within the professional arena.

PKT Logistics Group demonstrates its commitment to social responsibility by spearheading a Corporate Social Responsibility (CSR) initiative by establishing Yayasan PKT, focused on advancing UNSDG4 Quality Education and shaping the nation's future workforce. As a pivotal component of this endeavor, Yayasan PKT is dedicated to offering scholarships, bursaries, and grants to deserving and underprivileged Malaysian students, affording them the opportunity to pursue their education at Peninsula College.

At Peninsula College, you will have access to a wealth of academic resources, distinguished faculty, and a supportive network of fellow students. Our commitment to excellence in education, coupled with a dedication to fostering a nurturing and inclusive environment, empowers you to reach new heights and achieve your aspirations.

Dato' Seri (Dr.) Michael Tio was conferred Honorary Doctorate in Management from University Malaysia Terengganu, Honorary Doctorate of Logistics Management from University Utara Malaysia, Honorary Doctorate of Business from University of Plymouth and Honorary Doctorate of Philosophy from University of Gloucestershire. In addition, he was also awarded Adjunct Professorships from 6 esteemed local Public Universities and a Collaborative Professorship from Osaka University.

Ts Tung Chee Kuan K.M.N., P.K.T.

President, Peninsula Higher Education Sdn Bhd
Chief Executive, Peninsula College Georgetown Sdn Bhd

So you are considering on furthering your studies at Peninsula College. Congratulations on taking this major leap which will take you forward to the everchanging employment world. I believe in the value of education, thus in Peninsula College, you will be surrounded by dedicated staff who are not just academically qualified but also have a grasp of the industry needs. They will guide you along the pathway towards being future proof employees or entrepreneurs as well as the future leaders of the nation.

Fostering relationship with our established foreign University partners, we offer the potential for a seismic change by providing the students with the universally valuable tools of critical thinking, hands-on learning, and collaborative study. With these tools in hand, our students should be able to secure above average salaries when they enter the job market.

We also provide 'Jom! Bekerja Sambil Belajar JBSB' (Earn as You Learn) scheme where students are offered opportunities to work in the College as well as in PKT Logistics during their studies at the College. The work environment provides and develops the soft skills in the students thus increasing their employability value when they enter the job market later.

Furthermore, our College is industry-focussed in not only being nestled within an industry, PKT Logistics, we also have strong links with other industries as well. This will definitely open doors to our graduates.

As a raw stone when you first enter the College, we fervently hope you will metamorphose into a gem for the job market. I look forward in welcoming you to join us in the journey.

STRIVE FOR EXCELLENCE, CHOOSE PENINSULA COLLEGE

Peninsula Advantage

PENINSULA ADVANTAGE

Your Employability...Our Priority

Peninsula College prioritises employability and empowers its graduates as Future Talents anchored on the philosophy of being Industry Driven and Industry Focused.

Structured Employability Skills

Various projects and responsibilities taken by students will ensure exposure in leadership, teamwork, problem solving, ethics, professionalism, social and communication skills.

Career Readiness

Students begin with a goal in mind where profiling of career watching is followed by a series of intervention programmes such as mind settling, industry awareness guidance and skills development to project themselves to be highly-sought-after employees.

Industry Readiness

Students are given opportunities to learn from industry experts in their respective disciplines on current industry trends and practices.

Sustainable & Global Citizen

Sustainable & Global Citizen promotes constructive interactions with different cultures and identities, challenges stereotyping, and emphasises fair usage and distribution of the earth's resources while upholding human rights for all.
